## **Slacker Radio Announces New Music Discovery Social App On Facebook at F8 Developer Conference**

**Palo Alto, Calif. – September 22, 2011** – Today at f8, Facebook’s developer conference, Slacker, Inc. announced Slacker Radio on Facebook, a new social and fully-customizable radio experience integrated with Facebook that makes it easier for people to tell their story and discover new music online with their friends.

“We’re announcing Slacker Radio on Facebook as a new way for people to connect around listening to music. Facebook users who add Slacker Radio to their Timeline are able to personalize their listening experience, publish their music story to the Dashboard and discover music with their friends on Facebook,” said Jonathan Sasse, senior vice president of marketing at Slacker.

Through Facebook Platform, people can share the experience of the social app with their friends, making their online experience more personal and relevant.

Please visit the Slacker website for more information at <http://www.Slacker.com>.

### **About Slacker, Inc.**

Slacker offers the world's most complete range of radio services. Whether it's the award-winning free Slacker Basic Radio, or the fully-loaded subscription services Slacker Radio Plus and Slacker Premium Radio, listeners enjoy a unique, custom listening experience. Slacker enables music lovers to play highly personalized music online at the Slacker web site, on connected home devices or on-the-go with Slacker Personal Radio applications. Slacker mobile applications are available for Windows Phone 7, Windows Mobile, Palm webOS, Nokia, Android, iPhone, and BlackBerry smartphones.
